

LIEUTENANT GOVERNOR Cox is no pigmy, but when his measure is correctly taken he measures up among the big men of the State.

Cox the Most Popular Candidate For Governor.

His services as Senator for several years from a Democratic District show him to be a man of marked ability and very popular with the people. His record as

a presiding officer and also Acting Governor in the absence of Governor WILLSON place him in the front rank, both as a parliamentarian and as an Executive. His honesty and ability fitly qualify him for the high office of Governor, and his genial good nature and generous kindness toward those less fortunate than himself make him a popular idol of the people and would insure his election in case he is nominated.

Of course, there are other good Republicans in Kentucky who reflect credit on themselves and their party, but the three men mentioned are the ones most prominently mentioned as candidates for Governor, and doubtless one of the three will be nominated, and whichever one it may be, the party will have a candidate that all true Republicans can proudly follow, and if either of the three is elected we would have a Governor of which any people might justly be proud.

Republicans, cheer up. Our skies are getting brighter every day. We have at least an

equal chance with the Democrats. Let us unite. Let us lay aside our bickerings and our factionalism. Let us present a solid front to the enemy. Let us proclaim the great principles of the party from the Big Sandy to the Mississippi and from the Ohio to the Tennessee line. Let every Republican, every voter in every nook and corner of the State, know that the Republican party is a party of time-honored principles; that it is worthy of their confidence; that it deserves success, and we shall succeed.—Somerset Republican, January 14th.

CHAMP CDARK's picture now has EVELYN THAW's and TEDDY ROOSEVELT's faded to a spot.

A PHILADELPHIA Pastor asked his people not to cough in Church, but we hope he said nothing about not "coughing up."—Lexington Leader.

THE esteemed New York World will always retain a kindly feeling for the U. S. Supreme Court. What a difference it makes with these old women whose dress is gored.

THE newly elected Senator from Ohio neither drinks, smokes nor swears, which will, of course, give him more time to attend to the business for which he was elected.—Philadelphia Press.

The Buckeye gentleman won't reside in gay Washington City many years until he will smoke, drink and swear with the best of them.

If Congressman BEN JOHNSON is compelled to rid himself of his opponent, ex-Governor MCCREARY, he might try shooting him. JOHNSON is a shooter from away back and has already killed one man. It would be a shame on old Kentucky if she should ever elect a man of JOHNSON's caliber to be Chief Executive. Better a million times JAMES, or even STANLEY, with all his windy and Populistic ravings, than JOHNSON.

MAY PROVE FATAL.

When will Maysville People Learn the Importance of It?

Backache is only a simple thing at first; But when you know 'tis from the kidneys; That serious kidney troubles follow; That diabetes, Bright's disease may be the fatal end, You will gladly profit by the following experience.

'Tis the honest statement of a sufferer who was cured.

Thomas Ruark, East Second street, Vanceburg, Ky., says: "I suffered from kidney trouble and inflammation of the bladder for over ten years, some of the attacks being so severe that I really thought I would die. A complete retention of the kidney secretions existed and I called a doctor who drew the secretions from me with an instrument. None but those who have gone through this can imagine the suffering I endured. Some time ago I saw Doan's Kidney Pills advertised and I procured a box. Since using them I have had not had any trouble from my kidneys."

BURLEY UNION

SESSION TODAY

Trust is Declared to be Backing Movement in Various Counties to Prevent a Cut-Out

The Board of Directors of the Burley Tobacco Union will meet at the Fayette County Courthouse this afternoon at 1:30 o'clock. The principal business will be the hearing of reports on the progress of the campaign for the cut-out of the 1911 crop. The meeting will be open to tobacco growers and the public generally.

Campaign Chairman Bradley Wilson reiterated his belief that the fight for the cut-out is won. It is declared by some of the workers for the Burley Tobacco Union yesterday that the Tobacco Trust itself is backing the movement against the cut-out in a number of counties and that men in sympathy with the Trust have been working up dissatisfaction among the farmers for weeks past, in fact since the movement for a cut-out was started.

A search of Deemby's home disclosed enough wet goods to stock a fair-sized barroom, besides other articles of various kinds. Their examining trial will come up this afternoon before Judge Whitaker in the Police Court.

TRAFFIC IN VOTES

The Fleming County Grand Jury Gives Timely Warning

The Fleming County Grand Jury was in session last week, and The Gazette says the most sensational and important part of its report was its warning against vote-buying and selling in the future.

The report followed special instruction from Judge Nowell regarding such infractions of the law and in part read—

"We, the Grand Jury, feel it is our duty to warn the political parties in this county to cease the traffic of buying and selling votes. Whilst we have not had sufficient evidence before us to find an indictment, yet we feel sure the election laws are continually violated in this county."

**THAT
AWFUL
BACKACHE**

Cured by Lydia E. Pinkham's Vegetable Compound

Morton's Gap, Kentucky.—"I suffered two years with female disorders, my health was very bad and I had a continual backache which was simply awful. I could not stand on my feet long enough to cook a meal's victuals without my back nearly killing me, and I would have such dragging sensations I could hardly bear it. I had soreness in each side, could not stand tight clothing, and was irregular. I was completely run down. On advice I took Lydia E. Pinkham's Vegetable Compound and Liver Pills and am enjoying good health. It is now more than two years and I have not had an ache or pain since. I do all my own work, washing and everything, and never have the backache any more. I think your medicine is grand and I praise it to all my neighbors. If you have backache don't neglect it. To get permanent relief you must reach the root of the trouble. Nothing we know of will do this so surely as Lydia E. Pinkham's Compound.

Write to Mrs. Pinkham, at Mass., for special advice, will be absolutely at the advice free.

"Two bottles Cured My Rheumatism"

"I have been a sufferer from rheumatism for about two years, and have used many liniments and patent medicines which gave me no relief. A lady friend of mine told me she had used your Liniment and found relief at once. I got two bottles and they cured me. I think it is the best Liniment a person can have in the house. I shall always keep a bottle in my house as long as I can get it."—Mrs. E. R. WALLACE, Morrisons, Va.

The HIGH COST of LIVING

Has been greatly reduced in thousands of homes intall parts of Uncle Sam's broad domain this winter through the use of

THE PECK-WILLIAMSON UNDERFEED FURNACES AND BOILERS

The reason is plain. Cheapest slack in the Underfeed gives as much clean, even heat as the most expensive grades which ordinary heating plants require. All the fire is on top and has to eat down into the fresh coal underneath against the draft. Combustion is slow and perfect, and smoke, soot and gases are entirely eliminated. This enables Underfeed Furnace and Boiler users to effect an every year saving of 50% to 66%. Why give this good coin to the coal man? Put it in the Underfeed and let

The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for anyone that it fails to cure. Send for list of testimonials.
